# UNITED TO HELP CHILDREN & FAMILIES THRIVE

So anyone can reach their full potential

LOCAL DOLLARS | LOCAL LIVES

## TOGETHER, WE CHANGE LIVES

Today, so many of our neighbors are working hard to overcome barriers and get ahead.

### Somewhere in our community:

A working parent is looking for a way to make this week's paycheck cover the growing costs of raising a family.

A student is struggling to find her way to move forward.

A senior is deciding whether to pay for medication or groceries and stay in the place they call home.

A displaced worker is looking to start over but doesn't know how or where to begin.

### But they're not alone.

Together with our community-serving partners and supporters like you, we can connect people to the opportunities they need to reach their full potential and make our community a place where everyone can thrive.

No challenge is too big for us to take on when we work together to address urgent needs today for a better tomorrow.

UNITED IS THE WAY.

## LEARN WELL

In partnership with schools and organizations, United Way provides resources to help students discover more possibilities, in the classroom and beyond. Our **United "4" Kids** initiative provides **Ready Set Go** in-school and summer intervention programs, Promise Pantries (more than food, fueling futures), English Language Learning resources, the Imagination Library, school supplies, classroom supplies, books, and emergency assistance.

## EARN WELL

**United Way Works** provides and connects people of all ages to resources and volunteers they need so they can have financial peace of mind.

## STAY WELL

There are times in many people's lives when they need help. It may be due to a loss of a job, a financial setback, or a medical emergency. Your donations will be there to help provide basic needs such as food, shelter, medication, clothing and more. Through **Women United - Healthy Families**, we provide prescription assistance for diabetics, find ways to help women on their health journeys, and ensure adults and children with special needs and mental health challenges can find help and support.
