

Tuesday, April 21, 2020: Congratulations [Save A Lot!](#) You are this week's recipient of our Thankful Acts of Kindness.

Save-a-lot of Warren was nominated by Cassandra Clevenger of [Trumbull Neighborhood Partnership](#) who said that the staff at Save-a-lot is diligently working to make sure all their shelves are fully stocked and is graciously continuing the Produce Perks SNAP Double-Up program during the crisis. If a customer uses SNAP/EBT and spends at least \$5 and up to \$10 on fruits and vegetables, the customer receives a voucher for the same amount of fruits and vegetables for FREE.

Thanks to generous donations to the Thankful Acts of Kindness campaign, the staff at Save A Lot will receive a special delivery this Friday.

Stay tuned tomorrow to learn how you can nominate next week's candidates for Thankful Acts of Kindness.
