

DOLLY PARTON'S IMAGINATION LIBRARY - OHIO

Every child should have books in their home. United Way of Trumbull County now offers the Ohio Governor's Imagination Library to residents of Trumbull County. Started by Dolly Parton, the Imagination Library is now supported by Governor Mike DeWine and First Lady Fran DeWine.

Starting at birth, a child can receive up to a 60-volume set of books beginning with the children's classic *The Little Engine That Could*.

Children will receive a FREE age-appropriate book mailed directly to their home each month until their fifth birthday. This program allows a child to accumulate a free, personal library to help develop the skills necessary to be ready for school. All families in Trumbull County with children *BIRTH THROUGH AGE 4* are eligible to enroll.

A \$25 Donation provides one child the gift of Imagination Library books for an entire year!
