About United Way

For more than 95 years, United Way of Trumbull County has provided funding to agency programs and services necessary to secure good health, quality education, self-sustaining wages and emergency service for our community.

Through their targeted impact work, United Way of Trumbull County leads both the Reading Great by 8 Literacy and Trumbull County Partnership for Financial Empowerment initiatives. These initiatives help to improve third grade reading scores of students and provide financial literacy and free tax preparation to Trumbull County residents with low to moderate incomes.
